Report by Chief Arbiter

These should refer to the Arbiter's knowledge of the Laws and of the pairing Rules used, objectivity, ability to cope with any incidents that arose, and consideration for the protection of players from disturbance and distraction.

The arbiter demonstrates a strong understanding of the rules and applies them objectively. He remains composed under pressure and performs his duties with competence.

I find him well-qualified and would confidently recommend him for appointment as a provincial arbiter.

Recommendation

The performance of the arbiter was of the required standard for a Provincial Arbiter.
