Report by Chief Arbiter

These should refer to the Arbiter's knowledge of the Laws and of the pairing Rules used, objectivity, ability to cope with any incidents that arose, and consideration for the protection of players from disturbance and distraction.

Clayton displayed good knowledge about the laws of chess. He worked mainly in the u12 section where we could monitor him in his decision making with all the questions from the youngsters. He also entered the results of the rounds and did the pairing for the following round. This helped him in growing his knowledge regarding Swiss Manager.

It was a pleasure working with him and would recommend him for a PA norm.

Recommendation

The performance of the arbiter was of the required standard for a Provincial Arbiter.
